### DASH PLAQUES FOR FIRST 100 REGISTERED CARS & AN ALEX (FAVORITE) AWARD

Alex is a 9 year old little boy who was diagnosed with rare disease, adrenoleukodystrophy (ALD), on May 9, 2012. Upon diagnosis Alex was playing double-header baseball games and his parents had no idea that a double-header bone marrow transplant was in their future. Post transplant Alex is deaf, blind and in a wheelchair due to the brain damage caused by ALD. Follow Alex's story on Facebook, Alex's Angels.
