The Exhibitor hereby applies to the Producer of the custom auto show referred to above to have the vehicle described above displayed therein and agrees that, if the application is accepted, he will display the vehicle at the show under the following terms and conditions:

1. Most shows are necessarily overbooked by 10%. In such cases where space is not available for an entry already accepted to the show, the Producer will have sole authority to deny entrance to vehicles arriving after capacity has been reached. Exhibitors denied access will be refunded any monies paid to the Producer, upon request.
2. The Producer shall have final authority to determine the locations of an Exhibitor's display within the show and the Exhibitor's compliance with the aforesaid rules, regulations and policies.
3. Once the Exhibitor's display and/or vehicle are set up in the show, they shall not be removed or concealed by the Exhibitor prior to the end of the show without the permission of the Producer.
4. The Exhibitor agrees (for himself and any individuals under his control during the show) to hereby fully and forever waive, release, and discharge for himself, his estate, heirs, executors and assigns, both the Producer and the owner of the building and grounds on which the show is produced or any of their respective trustees, officers, administrators, employees, agents, or volunteers from any and all losses, damages, or claims whatsoever, including any and all personal injuries or damages and property damag-

es arising directly or indirectly from participation in the show or show-related activities whether said losses, damages, or claims are caused directly or indirectly, by or related to a known or unknown risk or hazard, and whether they are caused by a negligent act or acts, regardless of the degree of negligence. Exhibitor further acknowledges and understands that his participation in the show and related activities is entirely of his own free will and that he has the option of carrying insurance to protect himself and his property from any such losses.

5. No promotion and/or advertising is allowed with entries unless they are appearing in conjunction with paid commercial space. A single sign may be used to identify major modifications, who did them, and what equipment was used, but large ad signs, handbills, or business card distribution is strictly prohibited.
6. In consideration of this entry, the Exhibitor and those persons within Exhibitor's direction and/or control agree to permit the Producer or its assigns the use of their names and pictures of the entered vehicle for publicity, advertising and commercial purposes (including newspapers, magazines, billboards, radio, internet and television) before, during and after the event, and hereby relinquish any rights whatsoever to any photos taken in connection with the event, and give permission to publish or otherwise dispose of said photographs to Producer or its assigns.

No tents/canopies allowed in car show area.
